If the rideshare driver chooses not to undergo the cursory vehicle search, the passenger must be dropped off at the designated pick-up/drop off location at each gate. A cursory vehicle search is an external visual inspection of the vehicle by law enforcement.

Gate 5 Coordinates: 32.739091, -117.185831 (Navigation apps will direct you to the wrong gate) or search "MCRD Gate 5" or "MCRD Visitor Center."
