

APRIL IS THE MONTH OF THE MILITARY CHILD

HONOR THEM

Ask them about their experiences

Thank them for sacrificing time with their parent

Honor their friends who support them through deployments

Thank their teachers, coaches, nurses, counselors, and social workers for the extra support, patience, care, and effort

Connect with their families who are far from relatives

Acknowledge the parent's service

The color purple represents the blending of all the service colors. Wear purple on Purple Up Day, Wednesday 23 April, to show your support for all military children and help Purple Up South Carolina! Schools may also choose an additional date as well. Be sure to share on social media. #SCMOMC #MILKIDS
