

MARINE CORPS AIR STATION BEAUFORT ENVIRONMENTAL POLICY STATEMENT

Marine Corps Air Station Beaufort is committed to responsible stewardship of resources and the environment.

We will conserve our natural and cultural resources. Where appropriate we will remediate contamination sites resulting from past military activities. We will also see to continually improve our environmental management system by minimizing risks to the mission we conduct everyday.

- Integrate pollution prevention principles into management practices
- Comply with applicable environmental regulations and legislation

Communication

- Promote awareness of this Policy throughout all commands aboard the Air Station
