2023 Match Play Championship

QUALIFYING

Saturday, 11 March – Sunday, 2 April

The defending champion, if competing, will automatically qualify for the number one seed. Players may qualify for the 2023 Match Play Championship beginning on Saturday, 11 March and ending on Sunday, 2 April.

Qualifying Format: Net score for 18 holes of stroke play (90% of your handicap)

Eligibility: Active Duty & Retired Military, DoD/NAF, DOJ, and members of the Parris Island Golf Association (PIGA). All competitors must have an established USGA handicap.

Entry Deadline: Sunday, 2 April at 1800

Entry Fee: \$35 (must be paid through SignUp Genius)

Note 1: Qualifying round must be witnessed and attested by another player (this person does not need to be playing their qualifying round).

Note 2: All qualifiers must use an official Match Play scorecard.

CHAMPIONSHIP

- The 2023 Match Play Championship will have a field of either 32 or 64 players, depending on the number of qualifiers. All players will use 90% of their daily handicap.
- The field will be divided into two brackets: an "A" Flight for lower handicap players and a "B" Flight for higher handicap players.
- Qualifying scores will determine the seeding within each bracket.
- The winner of the "A" Flight will play the winner of the "B" Flight to determine the overall champion.
- Once the brackets have been filled out on Monday, 10 April, each round has a two-week deadline to complete all matches.
- It is up to the competitors to schedule and contend the match within the given time period. If the match is not played within the allotted time-frame, the Match Play Deadline procedures take effect.
- You must play from the tees that represent the majority of your posted handicap scores, or back (you cannot move forward).

The tees from which you played during your qualifying round will be used throughout the competition.

Handicaps will be adjusted for matches played from different sets of tees (based on course rating).
